

SJ BackPack Program
Parent/Guardian and Student
2016-2017 Agreement

Over the past few years we have had problems with the backpacks not being sent back to us **each week** by families participating in the program. This creates a lot of extra time looking for bags.

Help Us Out!

You must return empty backpack every MONDAY

A reward system is in place for your children to actively participate
Rewards will be given at the end of each month
