

South Jefferson Summer Youth Program Summer 2019 July 8th—August 16th

Here's the Scoop on Summer Fun!

This summer your child(ren) will have the opportunity to participate in the 25th Annual South Jefferson Summer Youth Program. The towns and villages of Adams, Rodman, Lorraine, Ellisburg, and Worth are again funding

the program in conjunction with the South Jefferson Central School District. The cooperative relationship between the townships and the school make it possible for us to offer a variety of fun and worthwhile activities.

The program will be held at the **Clarke Middle School** again this year. Children will have the choice of staying at the school for site-based activities or going to the beach Monday-Thursday. Some Fridays are scheduled field trips. All children who attend on those Fridays must go on the trip. There are no on-site activities on trip days.

A \$50 per child or \$85 per family registration fee will be charged to participate in the program.

Swim Lessons

Swim lessons will be held from 8:00 am—8:45 am Monday through Thursday from **7/15—8/15**. Children should be registered for either the Monday/Wednesday sessions or the Tuesday/Thursday sessions. Children can register for one day a week (\$35) or two days a week (\$60). Classes will include 35 minutes of instruction and 10 minutes of open/free swim. Participants can be dropped off at the Clarke Middle School doors at 7:45 for their lesson. You can sign up for this at the Registration Night to reserve your spot!

Monday through Friday*

Students can be dropped off at their site between 8:45 am—9:00 am and should be picked up promptly by 2:00 pm.

*Friday may have extended hours depending on the trip.

Swimmers vs. Non-Swimmers

The NYS Department of Health requires all students be tested by a qualified

Progressive Swim Instructor before participating in Aquatic Activities.

Students determined to be Non-Swimmers will not be allowed to utilize the pool during Open Swim activities and will have appropriate limitations on activities for a few of the Friday trips.

Non-Swimmers will have the opportunity to be retested each week to be considered a Shallow or Deep Swimmer.
